» ABOUT US

- Sri Venkateswara College of Engineering (SVCE), a premier engineering college in Tamilnadu was established in the year 1985. The college is one of the pioneers in engineering education, excelling under the governance of Dr. A. C. Muthiah, an industrialist, cricket administrator, philanthropist, and educationist who is the Chairman of the Governing Council of the college.
- SVCE is the first private engineering college in Chennai to be conferred with Autonomy status by the University Grants Commission (UGC). The college has been accredited by NAAC and all the 11 B.E./B.Tech. and 9 M.E./M.Tech. programs are affiliated to Anna University, Chennai
- The college has an excellent placement record as over 96 % of the eligible students get placed in 150+ companies every year and the institution well maintains a good and excellent student-to-company ratio in the state.
- SVCE has more than 22,000 elite alumni working in top 10 brands and fortune 500 companies like Apple, Google, Microsoft, Facebook, Mercedes Benz, Walmart, Amazon, etc. The college has produced over 100 successful Entrepreneurs in various sectors.
- The College is located in Sriperumbudur, the industrial corridor of Chennai, spread over 95-acre with state-of-the-art architecturally exquisite buildings, ample infrastructure, ICT-enabled classrooms, laboratories, a cafeteria, and pleasing greenery.

SVCE STUDENTS' COUNCIL

2021-22

- The Student Council is the apex student body for 4000+ students studying in SVCE.
- The Student Council is in charge of the smooth conduct of college level events - Freshers Day, Ice breaker session for freshmen, Teachers Day, Sports Day, College Culturals and Student Research Day.
- Under the leadership of Ms. Jasi Grace I and the mentoring of Prof. Ganesh Vaidyanathan, the Student Council has brought forward several initiatives, each empowering hundreds of students.

SVCE SCIENCE CLUB

- The SVCE Science Club was started by the institution with a purpose to cultivate interest among the student community to acquire scientific knowledge.
- Our club is an integration of three subjects, namely Physics, Chemistry, and Mathematics. The door of the club is open to all the students who want to explore their interests in science. Students are provided with opportunities to engage with fellow students, professors, and eminent personalities of the field in meaningful and prudential ways.

@ SVCE Science Club

SVCE SCIENCE CLUB

- The two major principles which act as a guiding light to the SVCE Science Club are,
 - Acquiring knowledge by practice.
 - Learning by sharing.
- The activities carried out in the club promote engineers to develop an interest in learning science beyond their curriculum and will further educate them to map the knowledge they've acquired in their daily life.

I-CUBE

- The three words ideate, innovate, and investigate essentially represent the ethos of this event.
- Ideate refers to forming new ideas, innovate refers to the ideas being feasible and creative in nature, and Investigate refers to scrutinizing the ideas based on scientific facts, creativity, and novelty after their submission.

Events under I-CUBE :

- 1) **InnoWel - Innovate for Wellbeing**
(Problem Statements will be Provided)
- 2) **Idea-o-lite - Ideate to illuminate**
(Theme: Sustainable Environment -
The participants can choose any problem
under the theme and proceed with their project)

- Participants will be shortlisted to Final Round based on the abstract submitted.

OBJECTIVES

- To nurture a culture of innovation and sustainable environment.
- To educate participants on ideation and problem-solving skills.
- To expose participants to experts and industry leaders.
- To create a conducive environment for creativity and out-of-the-box thinking.

IMPORTANT DATES

S.NO	AGENDA	DATE
1.	Inaugural Ceremony (Key Note Session + Event briefing)	1.11.2022
2.	Registration Closed Final Date to Submit Abstract (Phase – I Shortlisting)	7.11.2022
3.	Announcement of Selected Participants	9.11.2022
4.	Presentation before Internal Panel Members Phase – II	17.11.2022
5.	Final Presentation before the External Panel Members along with internal members' support	18.11.2022
6.	Valedictory Ceremony	18.11.2022

GUIDELINES

- Students can form a team of 2 to 4, with participants pursuing any engineering stream, studying in any year.
- A participant cannot be a part of more than one team and each team can work only on one problem statement.
- All types of solutions including hardware, software, hypothesis design & prototype are allowed.
- To ensure a level-playing field, teams are requested to start working on the implementation after their abstract gets shortlisted for phase 2.
- Submissions for each phase will be reviewed and assessed by a diverse panel of judges (experts) from different streams.
- All information regarding this event will be intimated to the Team leader through their registered Email or message (WhatsApp). So, kindly provide the correct information in the registration forms.
- For further details regarding the rules and regulations of the event, visit us @ https://dexters-in.github.io/i-cube_2.0/

PERKS

- Total Cash Prize of worth 1 lakh for the top presentation in each track (Separate tracks for Innowel & Idea-o-lite)
- Internship Offers will be given to the top performers.
- Participation Certificates will be provided for all the participants.
